Legislative Advisory Coalition Update

April 14, 2020

Legislation Updates

- SB 138 (<https://legiscan.com/CO/text/SB138/2020>) would extend the number of years that construction litigation lawsuits could be filed from current law of 6 years to 10 years. It would also alter the tolling process that determines the amount of time that a lawsuit can be extended. In February, the Judiciary Committee referred it back to the full Senate, where it has been laid over following the second reading.
- HB 1093 (<https://leg.colorado.gov/bills/hb20-1093>) grants a board of county commissioners the authority to license and regulate any business within the county, including short-term lodging rentals. It was signed by the Governor.
- HB 1155 (<https://leg.colorado.gov/bills/hb20-1155>) requires a home builder to offer a buyer of a newly built single-family home the option of either an electric vehicle charging system, prewiring for the future installation, or a plug-in receptacle in a place accessible to a vehicle parking area. House Considered Senate Amendments - Result was to Not Concur - Request Conference Committee
- The legislature plans to resume on May 18.
